SHORTHORN SALE
Saturday, Oct. 7, 1967

60 HEAD

LANCASTER, WISCONSIN

FAIRGROUNDS

FORWARD

This good offering from the herds of prominent breeders presents an excellent opportunity to procure herd building shorthorns of the most approved blood lines.

Those who are supporting the sale by offering cattle, have joined with the sale manager to select from their herds young cattle that experienced breeders will welcome into their herds, and that the beginner can buy with assurance that they are the kind from which successful herds are built.

The catalog contains the pedigrees of bulls that will put extra profits into your herd, from tried and proven sires. The females range from cows with calves at foot and cows bred to well known sires, also an attractive group of bred and open heifers.

The breeders who are selling these cattle are well known — they are reliable men and women.

You are invited to come to this sale and see the results of their breeding efforts, and to share in this offering.
